12th August 1929]

Appendix II.

[Vide answer to question No. 354 asked by Mr. J. A. Saldanha at the meeting of the Legislative Council held on the 12th August 1929, page 607 supra.]

Kerala Soap Institute, Calicut.

Training of apprentices.

Full or main course—Qualifications for admission.—Candidates should be holders of completed Secondary School-Leaving Certificates, but in special cases applications from persons with lower educational qualifications will be considered. Candidates who have already worked in a soap factory, or have some existing connexion with the manufacture of soap will be given preference.

Fees.—The fees will be Rs. 100 per annum for students coming from the Madras Presidency; in the case of others Rs. 150 will be charged. (No student who after remaining for more than a fortnight in the Institute leave it of his own accord or is expelled from it on disciplinary grounds will be entitled to refund of any portion of the fees paid by him.)

Course.—The course, which will ordinarily extend over a period of one year, will be divided into two terms, the first of which will commence about the middle of June or as soon as possible thereafter and the second on the 2nd of January ending at the end of March.

Short course—Qualifications.—Owners of soap factories and others possessing some practical knowledge of soap making.

Duration.—Three months.

Fees.—The fees will be Rs. 75 for those coming from the Madras Presidency; in the case of others, Rs. 125 will be charged.

General—Discipline and conduct.—The Superintendent and Principal of the Institute will maintain a conduct register in which will be recorded the conduct of the apprentices and in which will be noted offences such as disobedience of orders, absence without leave, bad time keeping, etc., and the apprentices will be liable to summary dismissal for habitual or gross misconduct or continued neglect of work.

Holidays.—The usual holidays enjoyed by the Institute will be given.

Government Industrial Institute (Ink Factory)—Madras.

Training of apprentices.

Qualifications.—Holders of a completed Secondary School-Leaving Certificate with Chemistry as optional.

Duration of course.—Eighteen months.

Fees.—Rs. 35 for the entire course.

Employment.—Not guaranteed.

Age.—Between 18 to 21.
